	- Assistance with community access and personal appointments - Assistance with budgeting and safe keeping of your money - Assistance with purchases of consumables - incontinence pads, mattress protectors, etc - Support at outings, family visits and special events - Overnight checks if required.				
Notes	"Core Supports" funding from the client's NDIS Plan	"Capital Supports" funding from the client's NDIS Plan The Support Plan Manager consults with the client and their team to identify and itemise all additional supports needed. The Support Plan Manager requests NDIS funding for client's personal medical aids, therapy and assistive technology required for living in the home and community. The Support Plan Manager consults with the client and their team to create a lifestyle plan, and requests funding for out-of-home supports.	All clients must apply for Commonwealth Rental Assistance (CRA) from Centrelink and then pass on payment to the SDA. To get the payment they need to lodge the Centrelink Rent Certificate to the SDA Provider, who completes it (it is <u>not</u> to be completed by the SIL Provider). - CRA is paid by Centrelink to client. Client then passes on 100% payment to the SDA Provider.	- 100% of Clean Energy Supplement
