# We want to hear about when you went to the emergency department

MyED

We would like to know what it was like being in the emergency department so that we can help make emergency departments better.

We want to talk specifically to people who say "**yes**" to the following three questions:

1 Emergency — Did you go to the emergency department at Westmead hospital, or Blacktown hospital, or Mount Druitt hospital in 2023 or 2024?

2 ndis — Do you have an NDIS plan?

3 18+ — Are 18 years or older?

We would like to have a chat with you about what the emergency department was like for you. You don't have to answer questions you don't like. The chat will take about 30 – 60 minutes and we will give you a voucher for taking part.

You can talk to us online or over the phone, we can meet in person, or you can write to us. You can also have a support person with you.

Scan the QR-code for more information and a video explanation, and to let us know if you want to talk to us.

Email us at MyED@mq.edu.au or call us on (02) 9850 2413 if you have any questions.
