

Volunteer with Cerebral Palsy Alliance

Corporate Volunteering with CPA makes a meaningful impact on our community and provides an opportunity to engage with and learn from people with disability.

Whether in person, skilled or virtual volunteering, your involvement will instill a sense of purpose and foster personal and professional development for your teams. Here are five key opportunities we provide at CPA:

1

Packforce 'Buddy Days' invite you to immerse yourself in our exceptional workforce's vibrant atmosphere at our Wetherill Park or Frenchs Forest locations. Pair up with our supported employees and spend a day immersed in their work life. Engage in various activities, including labelling, product compilation, warehouse assistance, and lending a hand wherever needed. Get ready for a day filled with enjoyment, high-fives, and inspiration.

2

Our Lifestyle centres throughout Sydney offer meaningful activities in a secure and enjoyable environment for CPA clients. Our lifestyles volunteering includes opportunities to experience special events with our clients such as Easter show days, day excursions to the Zoo, Aquarium, museum, art gallery, and on-site group activities like Christmas parties, art days, celebrations, and more.

As a volunteer, you will join our alliance of great minds helping to make the future brighter for people with cerebral palsy

3

Masterclass empower young adults confidently prepare for their future with independence. Join in community social and recreational events with our masterclass clients, learning the substantial impact your support can have.

Some Masterclass clients are actively seeking work experience opportunities. Consider inviting our clients to spend a day at your offices, sharing insights into your organisation's activities whilst contributing to their learning experience.

4

Virtual and skilled volunteering is the opportunity to contribute your specific skills, expertise, and professional knowledge to support CPA. Quality and Assurance testing of our STEPtember platforms is one of the amazing ways organisations have helped volunteer their time to support our teams. It aligns with CSR and is often part of companies' efforts to engage employees in socially responsible initiatives.

5

Event volunteering encompasses individuals dedicating their time and skills to contribute to the pre-organisation or day-of execution of various CPA events. Volunteer tasks may include selling raffle tickets, assembling kits for the Kosci Klimb, and promoting or actively participating in STEPtember events and activations.
